

Recruitment Matters

Executive Search, Recruitment & Talent Solutions for Every Business

Executive Search

We recruit senior level talent across all verticals and business functions, and throughout North America (US, Canada), Western Europe, APJ and South America. We can also provide various psychometric and leadership assessments to support the hiring and on-boarding processes.

Retained & Contingent Search

We conduct retained and contingent searches across all levels, business functions, industries and geographic areas (including North America, Western Europe, APJ and South America), in an expedited manner. With our 30+ years' experience, we provide the right talent based on your unique needs.

Interim Executives

We have an extensive pipeline of well-qualified and experienced interim executives we provide on contract on a short or long-term basis. Whether your interim needs are to fill a gap or to lead a project, we can support your requirements.

On-boarding

We conduct psychometric, competency, leadership and other targeted assessments to help businesses more effectively on-board and manage their talent.
